
INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS AND BOARD OF DIRECTORS OF NAFTNA INDUSTRIJA SRBIJE a.d., Novi Sad

Opinion

We have audited the consolidated financial statements of NAFTNA INDUSTRIJA SRBIJE a.d., Novi Sad (hereinafter: the Company) and its subsidiaries (together hereinafter: the Group) which comprise:

- the consolidated statement of financial position as at December 31, 2025;
- the consolidated statement of profit or loss and other comprehensive income for the year then ended;
- the consolidated statement of cash flows for the year then ended;
- consolidated statement of changes in equity for the year then ended; and
- notes to the consolidated financial statements, including a summary of significant accounting policies and other disclosures.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2025, and its consolidated financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and ethical requirements that are relevant for auditing consolidated financial statements in the Republic of Serbia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Materially significant uncertainty related to going concern

These Consolidated Financial Statements have been prepared on a going concern basis, as disclosed in Notes 2.2 and 3.1 in the attached consolidated financial statements. In this regard, we draw attention to the following facts disclosed in the consolidated financial statements that were the subject of this audit: During 2025, the Group, was included on the US Treasury Specially Designated Nationals and Blocked Persons (SDN) List. For the year ended 31 December 2025, the Group recorded a net loss amounting to RSD 5.578.142 thousand. The Group's management is actively monitoring the situation and taking steps to eliminate or mitigate the potential risks arising from this uncertainty. A temporary delay in sanctions could be a positive signal, but there is still a significant degree of uncertainty regarding future decisions and their effects on the Group's operations.

This event and circumstances indicate the existence of significant uncertainty that may impact the Group's ability to continue operations in accordance with the going concern principle.

Our opinion has not been modified in respect to this matter.

TO THE SHAREHOLDERS AND BOARD OF DIRECTORS OF NAFTNA INDUSTRIJA SRBIJE a.d., Novi Sad

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the section *Materially significant uncertainty related to the going concern*, we identified the following key audit matter:

Estimation of decommissioning and environmental protection provisions

Information on applied accounting policies and estimates of provisions associated with the decommissioning and environmental protection are disclosed in note 2, note 3 and note 27 to the consolidated financial statements. As described in the notes to the consolidated financial statements, the Group recognized provisions in the amount of RSD 13.337.026 thousand.

Provisions for decommissioning and environmental protection require significant management judgment due to numerous assumptions that are influenced by future activities, economic factors, and the legislator environment in which the Group operates. The most significant estimates include the estimate of future costs to settle the present obligation, inflation and discount rates, and exploitation period.

Auditing this area of the consolidated financial statements is a complex process as it requires us to evaluate assumptions for future cost estimates for which there is limited comparative data as decommissioning of gas and oil infrastructure is an emerging area. The assessment of the mentioned factors affects the determination of the exact amount of provisions, which represents a materially significant item in the consolidated financial statements.

The management performs an annual review of the provisions for the decommissioning and environmental protection, namely for funds for exploration and evaluation and funds for the production and processing of oil and oil derivatives. The review by the management includes an analysis of changes in legislation in the Republic of Serbia, cost estimates, inflation and discount rates, and maturity of obligations.

Audit approach:

Our audit procedures included an understanding of the legal obligations regarding the decommissioning and environmental protection, and in accordance with the provisions of the Law on Mining and Geological Research and the Law on Environmental Protection, to which the Group is obliged to, during and after the completion of works on exploitation, recultivation of the land and to prevention of the further spread of pollution caused by the accident, to take remedial measures according to the protection plans at its own expense.

We have also performed the following audit procedures:

- We have performed testing of arithmetic accuracy of the model that the Group have used when calculating provisions;
- We reviewed the status of the wells on a sample basis and compared them with the status within the well fund, which is the foundation for the calculation of provisions;

INDEPENDENT AUDITOR'S REPORT (Continued)

TO THE SHAREHOLDERS AND BOARD OF DIRECTORS OF NAFTNA INDUSTRIJA SRBIJE a.d., Novi Sad

Key Audit Matters (Continued)

- We have compared the changes in the status of the wells in the current year to the previous year, since the change in the status of the wells can have a material impact on the calculation of provisions;
- We have tested the completeness of the data, comparing it with other information within the business records and auditing procedures related to real estate, plants and equipment;
- We have assessed the justification of the applied discount rate as one of the assumptions for the calculation of provisions by comparing it with the rate on government bonds of the Republic of Serbia taken over from the National Bank of Serbia;
- We have evaluated and we have gained understanding of the assumptions related to the costs necessary for the liquidation and recultivation of the land;
- We have performed a review of the sensitivity analysis prepared by management for the main assumptions;
- We have gained an understanding of the Group's procedures applied by the management to estimate and record long-term provisions. This included understanding whether there was a legal or contingent obligation to establish a provision.

Other Information

The Management is responsible for the other information. The other information comprises the consolidated Annual business report (which does not include the regular consolidated financial statements and the Auditor's Report on them) for the year ended December 31, 2025. Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above, and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based solely on the work we performed during the audit of the consolidated financial statements, in our opinion:

- The information stated in the consolidated Annual Business Report for the year ended on December 31, 2025, is harmonized in all materially significant aspects with the accompanying consolidated financial statements;
- The consolidated Annual Business Report was prepared in accordance with the Law on Accounting of the Republic of Serbia.

In addition, if based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact in our report. In this respect, we have nothing to report.

Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

TO THE SHAREHOLDERS AND BOARD OF DIRECTORS OF NAFTNA INDUSTRIJA SRBIJE a.d., Novi Sad

Auditor's Responsibilities for the Audit of the Consolidated financial statements (Continued)

- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this Independent Auditor's Report is licensed certified auditor Srđan Božović.
